ABSTRACT ART

J I M C H E N

Artist and photographer based in Sydney, I tried different form of art and media to express myself such as landscape paintings and photography, also optical art and textile design.

During a long period of time I focused on composing the picture, the figurative or abstract. I have exhibited both nationally and internationally. I have given a series of lecture to the top Fine Arts Academy in China and a verity of art societies in Australia.

I would welcome any licensing opportunity that is helping me to go further.

Please feel free to contact me should you find any of my concepts suitable for your clientele. I look forward to possible future discussions with you.

Kindest regards,

A handwritten signature in black ink that reads "Jim Chen".
