ARTIST & ILLUSTRATOR

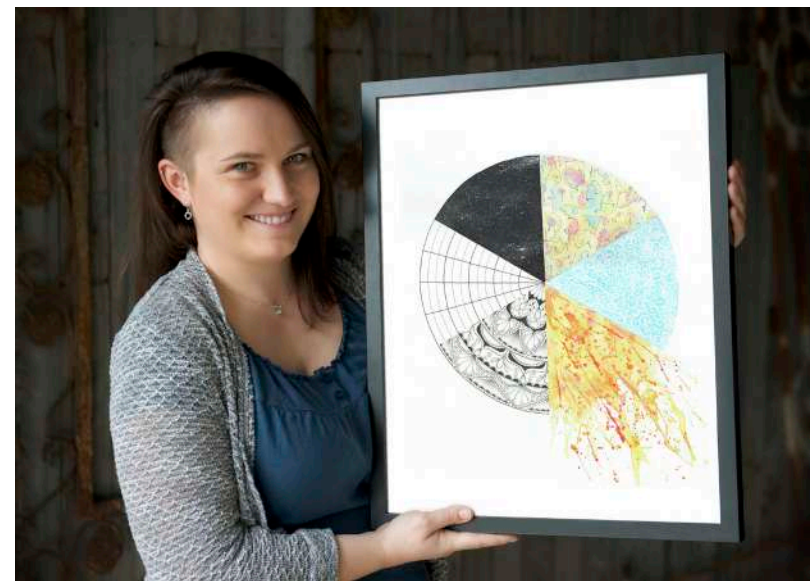

ALW Clarke creates inspiring art and illustrations to help promote personal wellbeing.

Working with ink and watercolours Amy creates artworks, prints and illustrations for brands and businesses. Her abstract, surreal and mandala works explore psychology, the human condition, wellbeing, and the complexity of mental health.

Inspired by a journey from postnatal depression to support and recovery, she is an advocate for self-care and mental health awareness, who believes it's never weak to speak up.

Amy lives in Sydney with her family. When she's not drawing, painting, or thinking about drawing and painting, she spends time enjoying nature and planning an honest book about parenting.
