★ArtSHINE

Valerie Khoo is an Australian artist, printmaker and surface designer based in Avalon Beach in Sydney. She is passionate about fabrics and pattern design, and her studio is overflowing with beautiful textiles she has collected from all over the world.

With a Diploma of Surface Design, Valerie designs collections that are all underpinned by inspiring stories. “I’m fuelled by a passion for storytelling. Compelling stories drive art, so I approach my artwork always with the story front and centre in my mind, infusing movement, texture, and imagery onto the design.”

Valerie was also co-founder and designer of a fashion and homewares label which had stores in Sydney’s iconic Pitt Street Mall and Singapore. She says: “I understand how patterns work on fabrics and love the joy I see when people can use, wear and admire beautiful designs on a finished product.”

PALM SPRINGS

Perfection

This embodies cosmopolitan desert living in a collection inspired by Palm Springs. It's about the glamor that the likes of Frank Sinatra, Cary Grant, Elizabeth Taylor and Marilyn Monroe brought to their hideaway homes. And it's about embodying a sophistication that belies the depth and power of what's behind the sunglasses and the smile.
