★ArtSHINE

Valerie Khoo is an Australian artist, printmaker and surface designer with a studio in Avalon Beach in Sydney. She is passionate about fabrics and pattern design.

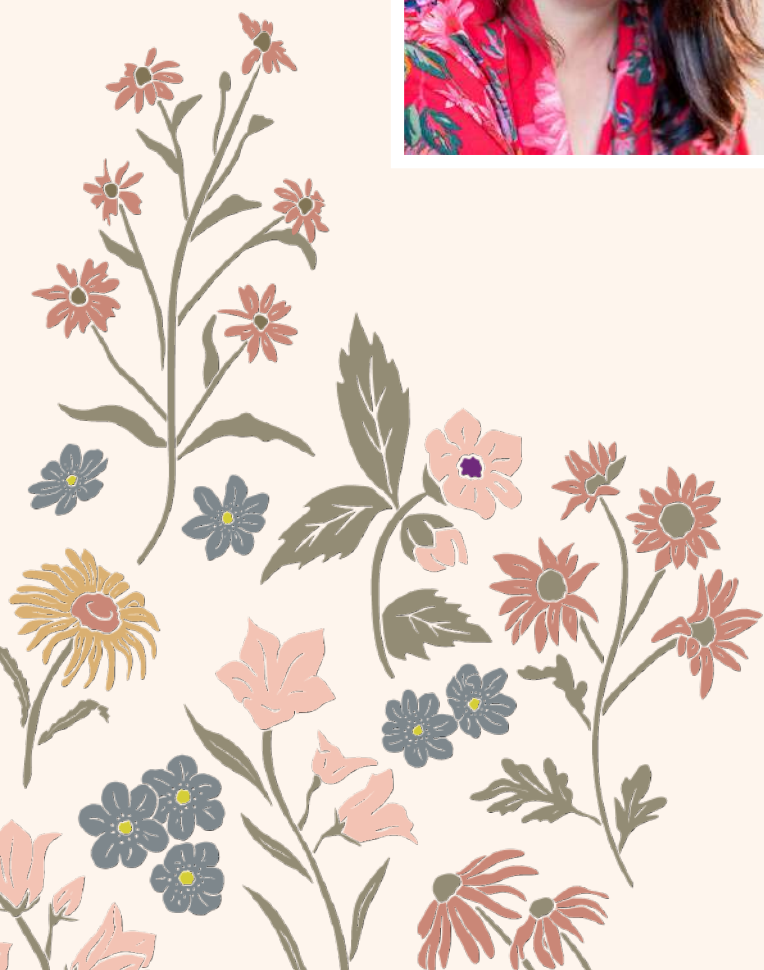

With a Diploma of Surface Design, Valerie says her artwork and designs are typically anchored to specific places. “I use a combination of painting and printmaking techniques in a unique combination of elements that create the final design. Combining my art with my passion for storytelling, all my designs are inspired by characters, dialogue and tension.”

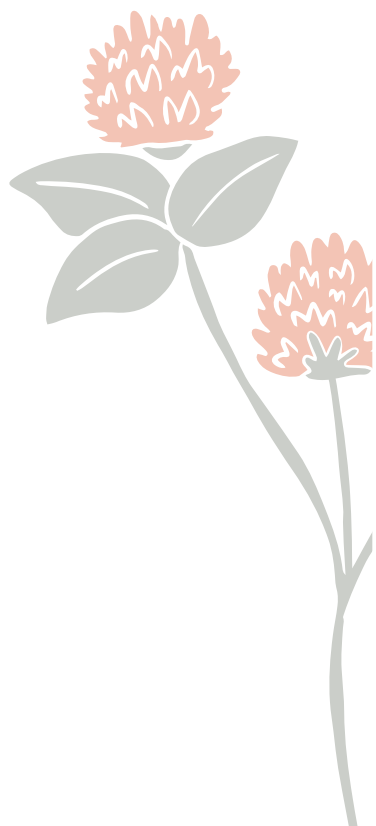

Valerie was also co-founder and designer of a fashion and homewares label which had stores in Sydney’s iconic Pitt Street Mall and Singapore. She says: “I understand how patterns work on fabrics and love the joy I see when people can use, wear and admire beautiful designs on a finished product.”
