GIRIJA KULKARNI

Girija, is an artist by mind and birth... Even before she could do maths she had better grasp of the addition of colours and their outcomes. Girija was born and brought up in western Indian city of Pune which is blessed by many artistic traditions. Girija completed her formal education in a reputed College of Arts in western, India and graduated in Commercial Arts. Although she is very much comfortable in all mediums like oil, water, acrylic and digital authoring suites like Adobe Illustrator and Photoshop, she prefers to find solace in fine art authored by human hands.

Girija worked as visualiser in Graphical Media industry in Pune and Bangalore before returning full time to her passion of creating visually stunning artefacts of art. She firmly believes in rendering the figures and forms present in her mind in abstract form to a more concrete physical medium in various art forms and styles; she terms this activity as Artbygirija, and an Artshine team member from past 7 years.

Girija is licensed with - [Great big canvas](#) [Displate](#) [P&B textiles](#) [Artshine Playground](#) [Artshine Showcase](#) [Emilyziz](#) [The Blank quilting Corp](#)
