Marta Tesoro - Surface Design Patterns

Marta Tesoro

Marta Tesoro is an illustrator and animator that has been in the industry for over 20 years. She has worked on multiple TV series that have aired on both local channels and streaming services. She has also animated for commercials, music videos, games and has illustrated for books, educational materials, exhibitions and commissions.

She fell in love with pattern design when she offered an opportunity to create a collection for a fabric company in 2020. She has done **four collections** since for **Kennard and Kennard**.

Marta does hand drawn illustrations which she scans, colours digitally and edits in Photoshop.

She loves to draw plants, animals and nature with a dark or cute twist. Perhaps both simultaneously, amplifying both parts of her personality.

There are bunnies hidden in the majority of her illustrations.

Happy Hunting!
