Janiel Hsieh

Janiel is a self taught artist. Her main body of work is watercolor/gouache floral paintings and repeat patterns. She is also expanding her repertoire and painting some lovely animals and other interesting topics such as fruits. In general her painting style is intuitive and fine, but not so much emphasis on realistic illustrations. Instead, she grasped the soul and essence, materialised them with her brushstrokes. Every mark is a piece of a story.

She was born and raised in Taiwan. In her childhood she's always enjoyed drawing, painting and making art. Then she migrated to Australia in 2016 to pursue a life that she longed for.— And she made it. But it wasn't until 2017 that she picked up her paint brush again. As a nurse she works part time and nurture her artistic inner child in her spare time. As she finds something captivating in those art-making moments through her hands, she aims to be a full time licensing artist in the future..
