Ayesha Khan

Hi, I am Ayesha Khan from Islamabad, Pakistan. I have been working as a Surface Pattern Designer and Illustrator for over 3 years. I have a deep passion for painting with watercolors and oil paints, finding the process of color mixing to be incredibly therapeutic.

Over time, I have honed my skills in digitally recreating the beauty of watercolor and oil paintings as well as mastering

the art of digital color mixing. Through my artistic process, I infuse a sense of fluidity and freedom, allowing my hand to flow with the paint, resulting in illustrations that exude beauty and grace. I find immense joy in painting illustrations where precision takes a backseat, and my creative instincts take the lead. These captivating designs possess the ability to seamlessly enhance the aesthetic appeal of textiles, home decor items, and wallpapers.
