ABOUT THE ARTIST

DESIGNER/ARTIST
SUNSHINE & PINEAPPLES

I'm Ky Colquhoun also known as Sunshine & Pineapples! Those close to me call me Sunshine and like my art, I figure I'm a lot like a pineapple. Mostly sweet with a prickly little sense of humour thrown in the mix. Our crew lives, works and plays proudly on Darumbal Country, in a laid back, creative nook on the East Coast of Queensland.

Inspiration for my art prints and placement designs start with photographs taken from our eccentric world filled with music, laughter and sunshine. These are then sketched and layered with a mix of watercolour, inks and mark making before it hits the digital world. This gives each piece a distinctly abstract, rock and roll, beach vibe. Like cool tunes and laughs on a Sunday afternoon with just a touch of sand under your feet from your last adventure.
