 ArtSHINE

Hi there! I am Sylvia Garcia Lopez, an enthusiastic artist with a love for drawing and painting that has been with me since childhood. I hold a Bachelor of Art Degree from Mount St. Mary's University in Los Angeles, California, as well as a Master of Public Administration Degree from California State University, Long Beach.

As an artist, I bring a unique blend of analytical thinking and artistic flair to my work, both combining hand-drawn, hand-painted, and digital creations. I am inspired by diverse styles like renaissance, modernism, cubism, the arts and crafts movement, and the hand painted tile traditions of Europe, North Africa, and the Middle East. With acrylic and watercolor paints and digital drawing tools like Procreate, Adobe Photoshop, and Adobe Illustrator, I am constantly exploring new techniques.

I love to capture the intricacies of everything from structural buildings to a flower's veins; this serves as inspiration for the unique shapes, colors, and textures in my artwork. My artistic style can vary from whimsical to serious and geometric, but they all have one thing in common - the ability to capture the intricate connections and relationships found in the natural and manufactured world.
